Tres

Hofmeister Sensei

Rokudan - Boulder Aikikai

Our dojo feels so very blessed and honored to have this ongoing relationship with Tres Hofmeister Sensei.

Over the years we have watched him evolve into a truly remarkable seminar instructor. He brings a joyful energetic presence to the mat comfortably reaching out to beginners as well senior students. His aikido is precise, elegant and powerful.

Tres Hofmeister Sensei has been a student of Hiroshi Ikeda Shihan since 1980 and is a senior instructor at Boulder Aikikai.

We enthusiastically invite students of all aikido traditions to join us!

The weekend's training will include instruction in kumijo and kumitachi. Please remember to bring your weapons.

We are always willing to make special arrangements for those financially challenged. Give us a call.
